Seneca Nation Native Connections

Seneca Nation Native Connections

is a grant that the *Seneca Nation Prevention Team* has received through the Substance Abuse and Mental Health Services Administration (SAMHSA), to minimize substance misuse and suicidal risks, while promoting mental health throughout our communities.

OUR MISSION:

To create a sustainable community wide prevention program to minimize substance misuse and suicidal risks, while promoting mental health for youth up to age 24.

OUR GOAL:

It is our goal to increase family and community involvement by identifying and assisting with current issues.

BOARDS:

Advisory Board:

Includes key players from the community to assist with new ideas, help achieve our mission and goals, and to advocate for our families and youth.

Youth Advisory Board:

Includes youth ages 13-17 to advocate for our families and youth. These youth also participate in fundraising, youth conferences, and training opportunities.

PROGRAMS

FAMILY ENGAGEMENT PROGRAM:

A community wide program focusing on motivating parent & family participation and unity. Families can register for this program at the Native Connections tables located at community events or stop in to either of the Behavioral Health Units. All participating events that your family attends will enter your family in special drawings and prizes!

MEDIA CAMPAIGN:

A community-wide family involvement campaign. Look for our inspirational posters, informational community letters/articles, colorful event/training fliers and more!

**For more information about our Advisory Boards or programming please speak with a Prevention Specialist at either of the Behavioral Health Units.*
