***Warrior Down:** This is a peer to peer program that is designed to equip Native American/Alaska Natives in recovery to provide recovery support, prevent recidivism and provide community referrals for those re-entering the community from treatment or from various forms of incarceration.

***Narcotics Anonymous:** We offer recovery from the effects of addiction through working a twelve-step program, including regular attendance at group meetings. The group atmosphere provides help from peers and offers an ongoing support network for addicts who wish to pursue and maintain a drug-free lifestyle.

***Alcoholics Anonymous:** Alcoholics Anonymous is an international fellowship of men and women who have had a drinking problem. It is nonprofessional, self-supporting, multiracial, apolitical, and available almost everywhere. There are no age or education requirements. Membership is open to anyone who wants to do something about his or her drinking problem.

***Al-Anon:** Al-Anon is a peer support group for individuals who have been affected by someone else's drinking. They are parents, children, spouses, partners, brothers, sisters, other family members, friends, employers, employees, and coworkers of alcoholics. No matter what our specific experience has been we share a common bond: we feel our lives have been affected by someone else's drinking.
