To All Patients of the Seneca Nation Health System,

We have had a computer system failure at the SNHS. Thankfully your Protected Health Information has NOT been compromised. Unfortunately, we do not have access to your charts or our scheduling system at this time. If you have an appointment with us, please contact the health center to confirm so we can prepare for your visit.

We are working feverishly to rebuild our system and we apologize for any inconvenience. Thank you for working with us at this time.

Acting CEO
